

Brief Therapy North East

Yvonne Dolan

BRIEF

Surviving in Difficult
Circumstances

28 & 29 November 2011
Royal Station Hotel
Newcastle upon Tyne UK

Yvonne will share how a Solution-focused approach can be applied to working with people facing a variety of challenging life situations, including financial and physical loss, illness, unemployment, divorce, long term care of dependent family members, overcoming drug or alcohol dependence. Yvonne will demonstrate practical Solution-focused techniques which participants will be able to immediately incorporate into their own work settings, as well as apply to their own personal challenges.

Surviving in Difficult Circumstances

The workshop aims

Drawing on her extensive experience of helping people to build / re-build their lives after experiences of abuse and trauma, Yvonne will provide participants with a wealth of practical tools to use with service users in a host of different settings. The materials will be relevant to practitioners in a wide range of front line and/or therapeutic services.

This is the workshop of the year and not to be missed! Book early to save disappointment
